

**2015 WBL ROUND ROBIN NLM Flight
Conditions of Contest**

COORDINATOR: The Coordinator for this event is **Bryan Geer**. He can be reached at 301-814-6064 or by email to bgeer@verizon.net. If the Coordinator cannot be reached for an urgent matter, such as approval of a substitute for a team member who is ill, another Committee member should be contacted. A list of Committee members and their contact information may be found at the end of this document.

Requests for **substitutions** should be directed to **Bryan Geer** by email to bgeer@verizon.net or by phone at 301-814-6064.

COMPLAINTS AND CONCERNS: Any complaints or concerns should be addressed to the Complaints Committee:

Barbara Doran	barb.doran@verizon.net	301-608-0347 - Chair
Barry Falgout	fraznoid@yahoo.com	240-506-2455
Richard Ferrin	rferrin@hunton.com	202-321-5288

TEAM MEMBERSHIP: Teams may consist of four, five or six players all of whom must be NLMs with under 500 points. Once entries have closed, no fifth or sixth member may be added without the specific approval of the Round Robin (RR) Committee. Reasonable additions will be allowed. Teams are encouraged to have more than 4 members in order to make scheduling easier.

LENGTH OF MATCHES: Matches will be of 10 uninterrupted boards. Each team will play two matches (double matches) against the other teams in its league for each half of the double round robin. (See below.) The IMP margin of each 10-board match will be converted to Victory Points using the following scale:

IMP Difference:	Victory Points: (10 Board Matches)
Ties	10-10
1-2	11-9
3-5	12-8
6-9	13-7
10-13	14-6
14-17	15-5
18-21	16-4
22-25	17-3
26-30	18-2
31-35	19-1
36+	20-0

LENGTH OF EVENT: The format of the event will be determined once entries have closed. Reasonable deadlines for matches will be set by the Coordinator once the event has started.

A one-VP penalty may be assessed against the final total score of any team failing to schedule matches as published above; two more VPs will be the penalty if the same team misses a second deadline; four more VPs after missing a third deadline, etc. Any scheduling difficulties must be discussed with the Coordinator or, in his absence, a Committee member prior to the deadline. Further penalties will be assessed if matches are not played by the end of the grace period.

SEEDING: League formation is done by the Round Robin Committee. Teams are placed in seeded order based on the average master points. Ties will be broken by random draw. Once the teams have been placed, some teams may be moved around. Because of the long match format of this event, major consideration is given to a team's results in prior long match events, especially the WBL Round Robin and Knockout. Teams may also be moved so that spouses or significant others are not placed in the same league. If the event is stratified the number of teams in each strat will be distributed as evenly as possible among the leagues.

CAPTAIN'S RESPONSIBILITIES: These include:

1. Arranging as early as practical with all other Captains the date, location, and starting time of all matches;
2. Ensuring that at least 10 boards with cards and 8 bidding boxes are on hand;
3. Payment of any supplemental fee to any participating Club Manager in the amount agreed upon in advance for the use of the Club's facilities;
4. Agreement prior to start of play upon the minutes of lateness, if any; and
5. All official team communication with the Coordinator or Committee, including reporting of scores, appeals, claims of forfeit, requests for modification of team membership or Captaincy, and proper advance notice of all matches including the dates locations and official starting time. This notification should be sent to the Coordinator, not to a Committee member. The *match results and the lineups* must be **emailed or phoned** to the Coordinator within 48 hours of the completion of each match. **Continued failure to meet these standards could result in penalties as determined by the Round Robin Committee. If one team reports the scores and the other team does not, no penalty shall be imposed on the non-reporting team. The Committee will assume the reporting team properly reported the score.**

Team Members' Responsibilities: Since reporting correct results to the Coordinator is important, any team member is allowed to report the result and *the lineups* of their match. This will ensure that credit for the match will be given to the actual players.

SCHEDULING: All Captains are encouraged to schedule and play all of their matches as soon as possible. If agreement between two opposing Captains cannot be reached, the Coordinator/RR Committee will set the date and location of their matches. Our Unit Game facilities are available any Thursday evening during this period; a fee will be charged for the use of these facilities;

SLOW PLAY: Play is expected to progress at the rate of 7-1/2 minutes per board, or one hour and 23 minutes per 10 boards. Complaints of slow play may be made to the Coordinator in writing when reporting the scores.

SUBSTITUTES: A team must field at least three registered members unless special Committee approval is granted. If a substitute is needed, the Coordinator's approval (which may be granted by Committee consultation) is required. If the Coordinator cannot be reached, a Committee member should be notified of the proposed substitution. The sub should not improve the team by partnership or ability. The sub should not substantially weaken the team if the result would affect a third team. A sub may not be a member of another team still playing in this Round Robin. As a matter of courtesy, attempts should be made to notify the opposing team Captain. The opposing Captain may not appeal an approved substitution.

SMOKING: This event is non-smoking unless both teams agree otherwise. Captains with team-members who want to smoke should discuss this with the other Captain in advance. Smoking breaks will be permitted.

QUALIFICATION: By ACBL rule, in order for a player to receive overall Master point awards, a player must have played at least 50% of the total hands played by the team. Furthermore, in order to compete in the KO-playoff portion of these events, each player must have played at least 50% of the qualifying round matches. During the KO-playoff phase, a player must play at least half of the total boards played by the team. A player must play half of the final match to receive master points for winning the event.

TIES: Ties in VPs will be resolved, if necessary, in a priority sequence as follows: (1) Ties are broken in favor of the team(s) with the better (best) win-loss records. If ties remain, (2) ties are broken in favor of the team(s) having the highest Victory Point total in a field restricted to the tied teams. If ties remain, (3) ties are broken in favor of the team(s) with the highest VP total against the other team(s) in its league with the best record. If ties remain, (4) repeat step #3 until all other teams have been considered. If ties remain, (5) ties are broken by an official coin flip.

CONVENTIONS: Only General Convention Chart (GCC) conventions may be used in this event.

PLAYOFFS: Playoffs are single-elimination matches of 20 boards. If there is a tie, four-board overtime segments will be played until there is a winner. Seeding rights for the first OT segment will be decided by coin flip. Subsequent segments (if needed) will alternate seeding rights. The Coordinator must be notified of the agreed date, time, and location of each playoff match well in advance, just as he must be notified regarding regular Round Robin match arrangements.

In Flight E (0-500): There are 5 teams which will be placed in one league. The 2nd and 3rd place teams from the RR phase will play for the right to play the 1st place team. The 2-3 playoff must be completed by November 1. The final must be played by December 31st. (Flight F teams are considered part of Flight E.)

In Flight F (0-100): The two Flight F teams will play each other to determine 1st place. This match must be played by December 31st.

RULINGS: In the case of an irregularity, a director or Committee member should be called. The Captain or his designee must file appeals of any director's ruling or any decision of the Coordinator and/or RR Committee in writing, hand-delivered or e-mailed within three days of the match. In order for an appeal to be timely, a director may be called or notice of intention to call a director made to the opponents before the start of play at both tables in the next segment, or sixty minutes after the completion of the segment. Such appeals will be promptly forwarded to the appropriate committee for reviews. A member of the RR Committee must approve the membership of any appeals committee. If you need a director's ruling, you can call Bryan Geer at 301-814-6064 or Chris Miller at 301-986-9449.

INTERPRETATION OF RULES: Circumstances may arise which are not covered by these rules or in which a rule has to be interpreted. In these cases, the full Round Robin Committee must be notified. Any decision will be by majority vote of the Committee members who respond within 2 days. Such actions must be documented in writing.

PENALTIES: The following procedures apply to all situations where penalties may be imposed.

1. If the Coordinator identifies some infraction that he feels should be penalized, the Coordinator should first discuss the matter at issue with the team Captain to determine if there is some legitimate reason for the infraction.
2. If the Coordinator still believes a penalty should be imposed, after having discussed the matter with the team Captain, the Coordinator shall provide to the Round Robin Committee and the team Captain, via e-mail, a description of the team's alleged infraction and the proposed penalty. Within a week of the date that the Coordinator sent the notice, the team Captain may appeal the Coordinator's decision to the Round Robin Committee. The team Captain shall transmit the appeal via a written explanation to the Round Robin Committee, via e-mail. The Round Robin Committee may request additional information from the team Captain and/or Coordinator, either in writing or orally.
3. If the team Captain does not timely appeal, the Coordinator's decision shall be final, with no further notice necessary.
4. If the team Captain appeals, the Round Robin Committee shall transmit its decision to the team Captain via e-mail.

CONFLICT OF INTEREST: Committee members should recuse themselves from participating in making decisions on issues before the Committee if they, or their spouses or significant others, would be directly affected by the outcome.
